**GIFT OF A GOOD START**  
\$50,000

**Give freshmen students the gift of college support**

Without the support from family and financial safety net that many of their peers rely on, foster youth are most likely to drop out of college during their first year. The soaring cost of everyday items make it difficult to stay enrolled. Your gift of \$50,000 will support first year students by providing 1:1 private tutoring, financial aid support, connection to vital campus resources, and more. When obstacles arise your generosity will be there to help them push through.

5

**GIFT OF SUMMER SUPPORT**  
\$10,000

**Provide support for foster youth during the summer**

When college dormitories close for the summer, foster youth are left without a safe place to stay! Your gift of \$10,000 will help with temporary rent, basic living expenses, and transportation during those crucial summer months. Knowing they have a place to stay gives students the opportunity to pursue summer internships, enrichment opportunities, and even enjoy a well-deserved break; just like their peers.

**Supporting foster youth's mental health through counseling and therapy**

Your gift provides foster youth with counseling, therapy, and wellness resources. Without this care, anxiety and depression can create real barriers to their academic success. With your generous gift, UFC's professional counselors will be there in their toughest moments, helping them build resilience and the confidence to move forward.

**GIFT OF WELLNESS**  
\$25,000

**GIFT OF A HELPING HAND**  
\$15,000

**Give a helping hand to a foster youth when they need it the most**

For foster youth, there is often no safety net; one unexpected setback can put their college dreams at risk. Your gift of \$15,000 will help students through unforeseen challenges, providing guidance and emergency assistance that addresses food and housing insecurity, transportation and childcare expenses. Your support will help them stay focused on their education.

7

**GIFT OF COLLEGE LIFE**  
\$2,500

**Give foster youth the full experience of college life**

College is more than just classes, it's about community, fun experiences, and growth. Foster youth deserve the chance to fully engage in campus life, but oftentimes, even small joys can feel out of reach. Your generous gift provides pocket money for study sessions at a coffee shop, pizza and movie night with friends, or a bus pass to explore around town.

## WHERE MOST NEEDED

### Your generous gift to help as many foster youth as possible

For many foster youth in Los Angeles County, the rising cost of food, transportation, and everyday essentials means making tough choices between going to class or picking up an extra shift at work. Even youth enrolled in college are struggling to cover basic needs, making it harder to focus on their education and future.

Your caring gift provides immediate relief, helping to cover essential expenses so foster youth don't have to choose between survival and success. With your support, they can stay in school, work toward independence, and thrive.
